Safety concerns raised by the Norman Fire Department and the Little Axe Community Center have necessitated the installation of parking prohibition signing on 168<sup>th</sup> Avenue NE. The Code of Ordinances of The City of Norman prohibits parking in the space between the curb, curb line, or roadway edge and the private property line along any street, unless parking is in an approved cutback provided for such parking. Parking is also prohibited within thirty (30) feet of any fire station driveway, or when so signed, within seventy-five (75) feet on the side of the street opposite the entrance to a fire station. Therefore, on Wednesday, April 6, 2011, The City of Norman's Traffic Control Division will be installing NO PARKING ANYTIME signing on both sides of 168<sup>th</sup> Avenue NE from the entrance of Fire Station # 5, north to State Highway 9.
